**6<sup>th</sup>-12<sup>th</sup> Grade Supply List**  
**2008-2009**

School website: [www.dayspringchristianacademy.org](http://www.dayspringchristianacademy.org)

- Please review the school's dress code in the parent/student handbook or on-line before purchasing back-to-school clothing. **Modesty is our standard!**
- Locker shelves are strongly recommended for all students in grades 6-12. One of the best ways for students to keep their books, notebooks, and other items organized is to use two metal, stackable shelves (found at Target and Office Max). They tend to hold up well and can be used for a number of years.
- Students in 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> grade will be receiving a school-issued planner to assist them in keeping track of assignments, projects and test dates. High school students are encouraged to purchase a planner.
- All AP students need a personal e-mail account.
- Flash drives are recommended for high school students. This will allow them to save documents being worked on at home and at school. **Students are responsible for printing papers at home.** The school does not provide printing of student papers.
- Please mark all clothing with your student's name. This will aid us in returning lost and found items throughout the year.
