“My sacrifice, O God is a broken spirit; a broken and contrite heart You, God, will not despise.” Psalm 51:17

Spring Matching campaign

Thanks to a few generous supporters, we are excited to announce that any gifts given will be matched up to a total of \$15,000! So, if we raise \$15,000, that amount will be doubled to \$30,000! If you are interested in giving to this matching fund, please contact Donna Wood in the Main Office or donate through the school website. Since DCA is a 501(c)3 non-profit organization, all your gifts are tax deductible. If you plan to give \$500 or more, please ask about giving through the NRV Christian Scholarship Foundation which gives huge tax incentives through the state of Virginia. Thank you to all who have donated already.

Graduation 2019

What an incredible time we had Saturday celebrating the class of 2019. They are a tremendous group of young men and women. This year's class includes 3 students headed to Virginia Tech in the fall; all studying in the Pamplin College of Business. This year's class also includes 6 recipients of the ACCE scholarship at New River; these students will have their two years at NRCC paid for in exchange for 80 hours per year of community service. This year's class also includes a National Merit Semi-finalist. More importantly, this year's class includes young people who love the Lord and personify His love to others.

Volunteer Hours for the 2018-2019 School year.

Remember that each DCA family should contribute a minimum of 50 documentable service hours to the school during the school year (July 1, 2018 – June 30, 2019). These 50 service hours will be required of all families. If for some reason a family prefers not to serve the 50 hour minimum, they may choose to pay \$25 per hour for each service hour not contributed to DCA.

Families will log and keep track of their service hours through RenWeb. The Service Hours Log can be found in the “Family Information” tab on the home screen of RenWeb ParentsWeb. If you have not been recording your service hours in RenWeb, please get those updated in the system. If you need help with this process, please contact Joanna Hampton at jrhampton.dca@gmail.com.
