

Student Driver/Rider – Permission Form*

Student time during the school day should be devoted primarily to academic and other constructive educational activities. Study Hall may be scheduled to allow students to do homework or pursue other academic activities to allow more time outside of school hours for non-educational pursuits.

Student drivers may, with signed parental permission, drive themselves between campuses, NRCC, and to school activities after school hours.

All **Freshman** and **Sophomores** must remain on campus from 8:00am to 3:15 pm. Students DO NOT have permission to leave school during study halls or lunch.

All **Juniors** must remain on campus from 8:00am to 3:15pm. Students with a study hall period at the beginning or end of the day may, with signed parental permission, arrive late at the beginning of the day **OR** leave early after their last scheduled class for the day. Other than the exception above, Juniors DO NOT have permission to leave school during study halls or lunch during the first semester; with signed parental permission, Juniors who have demonstrated (to parents and administration) responsibility and maturity may leave during lunch second semester.

All **Seniors** may, with signed parental permission, enter and leave the campus during unassigned periods/study halls and lunch.

Parents of students who do not have permission, but who need off campus use of study halls for doctor appointments, dentists, etc., may arrange such permission on a case-by-case basis.

Missing any academic classes regardless of reason will count as an absence in the total needed for exam exemptions and earning course credit as described in the handbook.

Off campus use of unassigned time/study halls is a privilege granted by the student's parents and educators while recognizing the individual needs of the student as well as the level of maturity the student has attained. The student's parents or the school may withdraw the privilege at any time it is no longer necessary for the student's education or for disciplinary reasons.

Tardiness to class after lunch WILL NOT be tolerated. Three (3) tardies will result in the loss of the lunch sign-out privilege for five (5) school days.

All students entering or leaving school at any time other than for the 8:00am start or the 3:15pm finish of the school day MUST sign in/out with the front desk. Failure to do so may result in suspension of these privileges.

Students are responsible for their own actions while they are off campus. The school provides no supervision of off-campus activities and assumes no liability for any accident or injury that occurs while off-campus.
