

**Dayspring Christian Academy
6th-12th Grade Supply List
2017-2018**

School website: www.dayspringchristianacademy.org

- **Please review the school's dress code in the parent/student handbook or on-line before purchasing back-to-school clothing.** Modesty is our standard.
- **Locker shelves are strongly recommended for all students in grades 6-12.** One of the best ways for students to keep their books, notebooks, and other items organized is to use two metal, stackable shelves. They tend to hold up well and can be used for a number of years.
- All AP students need a personal e-mail account.
- Flash drives are recommended for secondary students.
- **Please note that students are responsible for printing papers at home.** The school does not provide printing of student papers.
- **Please mark all clothing with your student's name.** This will aid us in returning lost and found items throughout the year.

REMINDER OF ELECTRONICS USE POLICY:

- **Students are NOT allowed to use electronics during the school day at Main Campus** (except calculators for math only, not for playing games). Electronics include any type of IPOD, mp3 player, kindle, handheld video games, smart phone, etc.* These items should not be brought to school. Students are allowed to have a cell phone at school as long as it is kept off and out of sight throughout the school day. Students are allowed to go to the office to use their cell phone to make important phone calls. If any of these items are seen, teachers will send the item to the office for pick up by the student at the end of the school day. Repeated offenses will require a parent to come in and pick up the item. Please communicate this policy to your child BEFORE school starts.
- *Laptops are allowed, but only for school-related work.

All Students

Please mark these items with student name

Water Bottle for School Use.
