- **Please review the school's dress code in the parent/student handbook or online before purchasing back-to-school clothing.** Modesty is our standard.
- **Locker shelves are strongly recommended for all students in grades 6-12.** One of the best ways for students to keep their books, notebooks, and other items organized is to use two metal, stackable shelves. They tend to hold up well and can be used for a number of years.
- All AP students need a personal e-mail account.
- Flash drives are recommended for secondary students.
- **Please note that students are responsible for printing papers at home.** The school does not provide printing of student papers.
- **Please mark all clothing with your student's name.** This will aid us in returning lost and found items throughout the year.
